

Knowledge Organiser: Swimming Intermediate Year 5 and Year 6

Links to the PE National Curriculum

All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres.
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke].
- perform safe self-rescue in different water-based situations.

Top Tips for Teachers

- Use the time you have travelling to and from the pool to discuss water safety. Find resources from Swim England in the resource bank to support this.
- It is recommended that all pupils wear swimming hats. Goggles are recommended for KS2.
- Have a range of buoyancy equipment available for less confident swimmers such as arm discs, swim belts and noodles.
- The Get Set 4 PE swimming plans are written for group sizes of 12. These can be taught for more or less pupils but you will need to be mindful of the equipment required and ratios of adults to pupils.
- The Year 1/2 SOW is written for beginner swimmers, the Y3/4 SOW is written for developing swimmers and the Y5/6 SOW is written for intermediate swimmers.
- When selecting lesson plans to teach, consider the level of your swimmers not necessarily
- Always check the safety and pool guidelines of the facility you use before teaching.

Key Skills: Physical

- Rotation
- Sculling
- Treading water
- Glidina
- Front crawl
- Backstroke
- Breaststroke
- Surface dives
- Floating
- Huddle and H.E.L.P.

position

Key Skills: S.E.T

- Social: Communication
- Social: Supporting and encouraging others
- Emotional:
- Determination
- Thinking: Creating
- Thinking: Decision making
- Thinking: Using tactics

Key Vocabulary:

- personal best
- somersault
- endurance
- streamline

- flutter kick
- surface
- propel
- synchronised
- exhale
- inhale
- continuous
- retrieve

Teacher Glossary

Dolphin kick: A dolphin kick is usually used for the butterfly stroke. Created by whipping motion with the legs.

Body roll: When a swimmer rotates their body from side to side.

Glide: When a swimmer coasts with a pause in their stroke.

Stroke: A style of swimming. There are four competitive strokes: butterfly, backstroke,

Flutter kick: A kick used in crawl and backstroke in which the legs are extended straight back and alternately moved up and down with a slight bend in the knee on the upward movement.

Sculling: Using quick movements of the hands to keep the head above the water. Sculling can be done head first or feet first.

Treading water: A survival technique used to keep the head above the water.

Knowledge Organiser: Gymnastics Y6

Links to the PE National Curriculum

- Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement.
- Pupils should be taught to develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics].

Key Skills: Physical Key Skills: S.E.T

- Straddle roll
- Forward roll
- Backward roll
- Counter balance
- Counter tension
- Bridge
- Shoulder stand
- Handstand
- Cartwheel
- Headstand
- Vault

- Social: Responsibility
- Social: Responsibility
- Social: Collaboration
- Social: Communication
- Social: Respect
- Emotional: Confidence
- Thinking: Observing and providing feedback
- Thinking: Selecting and applying actions
- Thinking: Evaluating and improving sequences

Ways to improve a sequence

- Level: Use a variety of levels. Can you explore that balance, shape, jump on a different level?
- Action: Include a variety of actions such as a jump, balance, travel,
- **Balance:** Hold your balances with good extension and clear shapes for 3 5 seconds.
- Body tension: Squeeze your muscles to create and hold strong clear shapes.
 - **Direction:** Vary the direction used within a sequence e.g. forwards, backwards, sideways.
 - **Speed:** Vary the speed used within a sequence e.g. fast and slow. **Pathway:** Change the path that is used e.g. straight, L shaped, diagonal etc.
- Timing: Use canon and synchronisation in the performance.

Key Vocabulary:

- oinverted of progression of counter tension of the counter tension of the counter tension of te

Teacher Glossary

Counter balance: A balance where a person uses another person's weight to stay balanced by pushing against them.

Counter tension: A balance where a person uses another person's weight to stay balanced by pulling away from them.

Pathway: Designs traced in space (on the floor or in the air).

Inverted movement: An action where the hips go above the head such as a shoulder stand, bridge and cartwheel.

Canon: When performers complete the same physical action one after the other.

Synchronisation: When performers complete the same physical action at the same time.

Formation: Where you are in the space in relation to others.

Knowledge Organiser: Dance Y6

Links to the PE National Curriculum

- Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement.
- Pupils should be taught to develop flexibility, strength, technique, control and balance.
- Pupils should be taught to perform dances using a range of movement patterns.

Key Skills: Physical

- Performing a variety of dance actions
- Using canon, unison, formation, dynamics, character, emotion, transitions, matching & mirroring

- Social: Sharing ideas
- Social: Consideration of others

Key Skills: S.E.T

- Social: Inclusion
- Social: Respect
- Social: Leadership
- Social: Supporting others
- Emotional: Empathy
- Emotional: Confidence
- Thinking: Observing & providing
- feedback
- Thinking: Using feedback to improve
- Thinking: Selecting & applying skills

Key Vocabulary:

levels octions formation timng
phrase performance expression
unison posture dynamics canon
choreograph contrast structure

Performance Ideas

Performing in front of the class can be a daunting task for some pupils. Be mindful to introduce this gradually by encouraging pupils to perform without forcing them. Performance is an important part of dance but can also be time consuming if not structured correctly.

Performing, some good ideas:

- Create an environment in which pupils feel safe to perform by teaching the audience how to be respectful.
- Help the audience to structure their feedback with positive comments first, followed by areas to improve.
- Encourage pupils to use the correct dance terminology in their feedback.
- Ways to perform: half the class to the other half, one individual to another, one pair to another, three groups at a time etc.

Teacher Glossary

Counts: A performer uses counts to stay in time with the music and / or other performers.

Action: The movement a dancer does e.g. travel, jump, kick.

Level: High, medium and low.

Pathway: Designs traced in space (on the floor or in the air).

Unison: Two or more dancers performing the same movement at the same time.

Dynamics: How a movement is performed e.g. robotically, softly.

Action and reaction: One movement has an effect on another

movement e.g. push/pull, up/down, forward/backward.

Space: The 'where' of movement such as levels, directions, pathways, shapes.

Formation: Where dancers are in relation to each other.

Canon: Performing the same movement, motif or phrase one after the other.

Structure: The way in which a dance is ordered or organised.

Phrase: A short sequence of linked movements.
